

FURTHER YOUR CAREER

WITH THE PROFESSIONAL WOMEN IN PEST MANAGEMENT

Professional Women in Pest Management (PWIPM), an affiliate group of NPMA whose mission is to attract, develop and support women in the pest management industry through educational programs, resources and peer networking, is announcing their annual professional empowerment grant. This grant will be awarded to one female who is interested in advancing or securing a career in pest management.

This grant may be used by the recipient to defer costs related to advancing their career or education in the pest management industry. The grant will be a minimum of \$1000. It also includes free registration and an additional \$1,000 towards travel expenses to attend the National Pest Management Association's PestWorld in October. The successful recipient(s) will be notified by September 1.
