The 11th annual City of New Orleans and the Greater New Orleans Pest Control Association Termite Academy will be held in New Orleans March 19-21, 2019. This three day Academy will offer comprehensive and in-depth information regarding termites and wood destroying organisms and is accredited by the Louisiana Structural Pest Control Commission. The Academy will place emphasis on field training and insect identification. In order to provide hands-on training, the class size is limited to 30 registrants. The Academy will include presentations by industry leaders and university experts. The Academy will apply towards LDAF technician and licensee recertification.

### Academy Topics Include:

- Subterranean termites
- Drywood termites
- Wood destroying insects
- Construction types
- Conductive Conditions
- Inspections and inspection tools
- Liquid termiticides
- Baiting technology
- Termite foraging behavior
- Integrated pest management
- Calibrations
- The label
- Insect identification
- Rules and Regulations
- Physical Barriers
- Pre- and post-construction options
- Tree treatments
