## VOLUNTARY DONATIONS

### Issues Defense Fund

NPMA's Issues Defense Fund was created to retain legal counsel to represent PMP interests. Every penny raised will be deposited in a segregated fund devoted solely to meeting this future challenge.

### Pest Management Foundation

The Pest Management Foundation was created several years ago to fund much needed industry research. This goal is now more important than ever before. Please consider making a voluntary contribution to the foundation. Contributions are 100% tax deductible as a contribution to an educational 501(c)3 organization designed to support industry research.

### Professional Pest Management Alliance

The Professional Pest Management Alliance (PPMA) provides the industry's voice to consumers about diseases and dangers associated with pests. Support for PPMA is separate from NPMA dues and contributors benefit from extensive marketing resources, access to research and trend data, and heightened visibility to prospective customers. For more information, contact Cindy Mannes ([cmannes@pestworld.org](mailto:cmannes@pestworld.org)) at 703-352-6762.
