

Incorporating Electronic Recordkeeping Language Into Your State’s Code

Electronic Recordkeeping and Reporting.—A “record” shall be in a paper, written, or electronic format. Notwithstanding any contrary provision of State or local law, licensed applicators of pesticides, including licensed applicators of restricted use pesticides, may create, retain, submit, and convey a pesticide application-related record, report, data, or other information in electronic form in order to satisfy any requirement for such creation, retention, submission, or conveyance, respectively, under any State or local law. The definition of “record” in this clause shall apply to the following sections:
